To Secure and Maintain Beautiful Lawns
and Productive Pastures, use

ANDORRA BRAND Canada Unleached Hard-wood Ashes

They are nature's complete fertilizer
They are healthy for man and beast
They make new soil out of worn-out lands
They do not make the lawn unsightly
They produce no unhealthy or offensive odors
They are easier to handle than other fertilizers
They keep borers away from trees

APPLY AT THE RATE OF 1,000 TO 1,500 POUNDS PER ACRE

Realizing the importance of a clean, complete manure that can be applied to the lawn and garden, and having all the advantages without the offensiveness and inconvenience attending the application of stable manure, we have made arrangements with responsible dealers in Canada for a limited supply of their **best grades of screened, Unleached Hard-wood Ashes,** and are now in a position to supply them to our customers either in small quantities or by the car-load of 15 to 20 tons.

For convenience in handling and to prevent waste, we have arranged to have all our Ashes put up in compact packages as follows.

Price per barrel, of about 200 pounds, $2.50; per ton, $20, delivered by wagon; $18 per ton, F. O. B. cars, Chestnut Hill. Special rates for large quantities and car-load lots.

Andorra Nurseries

CHESTNUT HILL, PHILADELPHIA, PA.

OUR NURSERIES are extensive, covering five hundred acres, of which over three hundred are planted with trees and shrubs. They are easy of access, as Chestnut Hill is the terminus of branches of the Pennsylvania and the Philadelphia and Reading Railroads, and the Chestnut Hill (City Line) trolley runs from the stations to within three minutes' walk of the Nurseries.

QUALITY.—The trees and shrubs offered are grown in open, unsheltered ground, in a very exposed situation, which insures their hardiness, and on soil admirably adapted for forming robust plants having an abundance of roots. **Special attention** is called to the fact that our stock is grown a good distance apart in the rows, insuring heavier trees and shrubs than are generally offered.

QUANTITY.—Lots of 5 and 25 will be furnished at the 10 and 100 rates respectively.

STOCK SELECTED by customers at the Nurseries will be charged for at advanced rates, according to the value of the trees chosen.

SHIPPING SEASON opens about March 1 in the spring and August 15 in the fall.

INSECT AND FUNGOUS PESTS.—A certificate of inspection will be sent with each shipment.

PACKING.—The utmost care will be used and charges made at actual cost.

ORDERS.—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment.

RISK.—All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

CLAIMS, to receive consideration, must be made within five days after receipt of goods.

TERMS, CASH WITH ORDER, except to such persons as satisfy us as to their responsibility.
